General Comments:

This is a follow-up to verify the installation of the handwashing sink, paper towel dispenser, and soap dispenser at the drive-thru service area.

During the inspection, shift manager Bernice provided an email confirming a work order (0986000699) request for reinstallation on 4/28/2025. However, this department issued a Notice of Violation requiring completion by 4/25/2025. As of this follow-up, the installation has not been completed, and no updates were provided to inspector regarding the project timeline.

Please complete the following:

1. Email inspector Le (luanle@rivco.org) copies of the owner's and manager's driver licenses by Monday, 5/5/2025.
2. The handwashing sink, paper towel dispenser, and soap dispenser must be installed by 5/8/2025. Ensure to maintain a 24-inch storage clearance around the sink, or install a stainless steel, easy-to-clean splash guard on both sides.

****FINAL WARNING:** Failure to comply with these directives will result in further legal action (e.g., citation, hearing).
