**General Comments:**

Follow up reinspection from 4/24/2026 inspection responding to a complaint (CO1007212) alleging the facility is operating without direct power and using generator(s) to supply power and electricity.

At time of the reinspection the following was observed:

1. Facility to be in full operation at the front service station with open food.
2. The facility to still using a generator to provide electricity.
3. Owner stated over the phone that a representative from the electricity company should be on site either today (Wednesday 4/29/2026) or Thursday (4/20/2026). At time of the reinspection, no representative was present conducting work to restore the electricity to the facility.

The employee on duty was instructed to cease all operation immediately and to discard any food that was prepared day of. This is facility is closed due to immediate health hazard, described as unable to provide adequate power/electricity. Facility is to abate violation, eliminating immediate health hazard prior to reopening. Facility to remain closed until verification of violation is abated and permission is granted by this Department. Facility closed sign posted. Do not move, remove, or block placard/sign to avoid penalty.

Owner/operator shall contact Elias Lopez at 951-766-2824 or elialopez@rivco.org when the power/electricity is restored to the entire facility for a reinspection. Shall the facility be observed to be in operation without access to adequate power/electricity, further enforcement will be taken such as citations, administrative hearing, etc.

NOTE: Facility is past due on their current Riverside County Environmental Health permit. See invoice information below:

Invoice #: IN1072022  
 Invoice Date: 02/01/2026  
 Due Date: 02/28/2026  
 Balance: \$1,176.00

Facility shall ensure to be up to date on their permit or further enforcement may be taken such as closure of the facility.
