General Comments:

This facility is located inside of the Walmart #1832 (PR0009099).

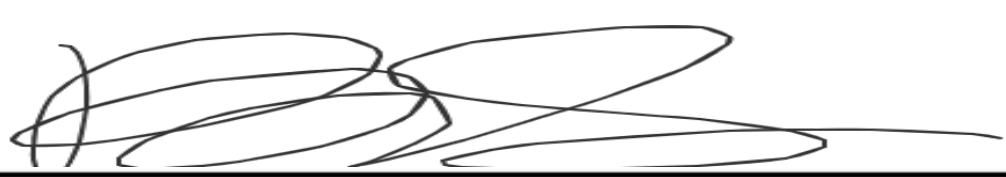

The purpose of this visit was to conduct a Routine Inspection. Upon EHS arrival, EHS observed standing water on floor by back kitchen entrance door by 3Comp Sink, in break room area, and in front of ice machine. Wet footsteps observed at cookline area. Per Manager on duty, a sewage backup had occurred from 3Comp Sink Floor Drain. Sewage backup had occurred multiple times prior. Facility observed open for business and continued food operation by employees at this time.

During any imminent health hazard, including sewage backflow, the facility shall self-close. Failure to comply may result to further legal action.

Facility voluntarily closed at this time. All food operations has ceased and gate to Wal-Mart closed to customers. Plumbing repairs in process. Facility must remain closed until reopened by a member of this Department.

A followup has been scheduled for 5/12/26. Please contact nragasin@rivco.org or contact Palm Springs Office at (760) 320-1048 when ready for reopening.
