General Comments:

Facility has been closed at this time due to operating without a valid Permit. To reopen, facility must complete change of ownership, obtain valid permit from this department, and receive reinspection from this department. Facility Closure sign posted and must remain posted until removed by an employee of this department (do not move, remove, or block placards to avoid penalty). If you have questions, contact N. Burnett at 760-320-1048.

Observed prepackaged foods stored at pool bar being sold to guests. Discontinue this practice. Ensure pre-packaged foods are sold in appropriate area and under a valid permit if necessary.

Observations:

52. Permit available / current

Status: OUT

Type: Violation

Inspector Comments: Observed food facility to operating without a valid food facility permit. Food facility is closed until a valid food facility permit is obtained and reinspection is conducted with this department. Contact this department with any questions. 760-320-1048.

Violation Code - A food facility shall not be open for business without a valid permit. (114067 (b-c, l, j), 114381 (a), 114387)
